

Our first get together since February 2020. We had our first Dinner Meeting after lock-down at the Seven Stars on the 4th, which was attended by 10 members, who appeared to have enjoyed the occasion. You can see some of them and the menu on our web-site. Some members declined to attend on the basis that it might be too soon to meet indoors even though restrictions had at last been lifted. Perfectly understandable, however those that did attend seem to have survived unscathed by the event.

As there has only been one nomination for the Thank You

Dinner and as some members declined to attend the August Dinner, it has been decided to postpone this idea to a later date. So the October Dinner Meeting will be as for a normal meeting. John will email you all with the venue and menu as usual.

For those of you that haven't seen the postcard before and as it is holiday time I thought you might like to see the composite picture that was used to introduce a new event in town. Aylesbury on Sea came into being back in 2005 and it continued

until 2019 when Covid arrived to scupper the event. Hopefully it will return in 2022.

AUGUST 2021

John and I look forward to meeting you again in October, so continue to stay safe and well.

Ray Ghent
President
